Assignment 1A

16/01/2022

Participants: Huixin Wang, Junjie Chen, Thinuga Wellage

Time: 7:00 pm Melbourne time

Duration: 20 mins

In today's meeting, we discussed the work allocation and each of us agreed to produce a draft conceptual model. We will compare our drafts and produce a final version of the nfs_conceptual model during tomorrow's meeting (17/01/2022).

17/01/2022

Participants: Junjie Chen, Huixin Wang, Thinuga Wellage

Time: 9:00 pm Melbourne time

Duration: 60 mins

We checked our individual draft and decided to choose Huixin's to complete to be our last version. We read each paragraph together and find out what entities we have missed. Then, we checked the relationships between each case. Finally, we reached an agreement.
